SIRAWICH THAMMAWIHARN

King Mongkut's University of Technology Thonburi
Digital Service Innovation (Internship)

PROFILE

Currently studying for a bachelor's degree at the School of Information Technology King Mongkut's University of Thonburi, majoring in Digital Service Innovation. I am looking for an internship that will help me learn internship experience both inside and outside of work as well as bring knowledge from the workplace. Rishis who have learned from the course have applied it to bring innovative designs to the stage of reality.
